Portable Cabin

EPP Portable Cabins are light weight & durable. These sturdy and structurally stable cabins are almost maintenance free products at the same time it has a very low cost of Installation.

Portable Site Office

EPP Portable Site Offices are developed in a way so that you can have faster occupancy and optimum use of space with required accessories, furniture & fixtures. Our skilfully designed portable site offices are capable of sustaining variable climatic conditions. With monetary benefits, it gets converted as assets for future projects with expected life of 15 years.

Modular Schools

EPP Modular Schools are excellent options for educational institutes to transform the facility in a cost effective and timely manner. Modular schools give the option of adding multiple classrooms, new administrative offices and much more. These buildings can be built to be thousands of square feet and multiple stories high.

Portable Residential Manager Colony

EPP Portable Residential Manager Colonies are spacious and elegant options to choose where the conventional structure is impossible. These blissful accommodation options are equipped with beds with mattress, pillows, blankets, cupboards, lockers, dressing tables, writing table, etc. All electrical accessories are of standard make and lighting arrangements are designed to create a homely feeling.

Portable Labour Camps

EPP Portable Labour Camps are the instant accommodation option with specially formed channels, posts, stiffeners and corrugated sheets. The top of the cabin is consisted of a tapered roof with specially corrugated sheet provided with drainage for easy flow of water on both ends & to avoid water logging. Insulation consists of 80mm/150mm glasswool slabs, which resist the heat.

Portable Living Bunk House

EPP Portable Living Bunk House comes in a variety of floor plans with internal furnishings from pre-laminated PVC sections to self-locking systems. In addition to this, it requires no foundation or construction and can withstand winds up to 120 MPH without anchoring. It's the ultimate secure, weather-proof enclosure for on-site employee housing, construction crews, military command centers, mining operations, etc.

Portable Kitchen

Portable Kitchen
EPP Portable Kitchens are well equipped portable cooking units with wide spread granite table tops, multi burner, cooking range chimney, microwave oven, gas cylinder compartment, storage cupboards, drawers, wash basins, sinks, over head tanks, water cooler, fridge, exhaust system, etc. These hygienic kitchens can be transported from once place to another and are widely used by tour operators, catering companies, etc.

Portable Medical Unit

EPP Portable Medical Units are the sound solutions for a test market of services to rapid expansion of service coverage across rural or remote places. It is also an ideal option to choose for medical practitioner operating on leased property or for large companies, which need on-site healthcare for isolated employees.

Portable Mobile Kiosk

EPP Portable Mobile Kiosks are developed with sturdy constructed doors and PUF sandwich panels walls for self support. These telecommunication shelters are mainly used to keep high value telecom equipments in a dust-free ambience of usage. Flexibility of disassembly makes it possible to shift the mobile kiosk conveniently to any other location.

Portable Luxury Toilet Block

EPP Luxury Toilet Blocks are the ideal solution for toilet facilities for leisure and hospitality events. These blocks are developed with Indian or European style commode, ceramic urinals, wash basins, soap dispensers, tissue holder, towel holder, fresh water storage tank, hot & cold water taps connection, geyser and ceramic tiles flooring.

Portable Mass Use Toilet Block

EPP Mass Use Toilet Blocks are the hygienic toilet blocks suitable for outdoor trade fairs, exhibitions, sports events, weddings, seminars, garden parties, filming locations, campsites, etc. These toilet blocks are light weight and robustly designed for easy maintenance and portability from location to location.

Portable Outdoor Gazebo

EPP Portable Outdoor Gazebo helps you create your little slice of heaven in your backyard or garden. This gazebo would be the prettiest addition you would make to your landscape. It would be a place to enjoy those summer days to relax or entertain family and friends and a focal point of any use that you may need.

Other Products

Traffic Police Chowki, Military Camps, Health Centres, Anganwadi, Mid Day Meal Kitchen
